## ADVENTURE OVERVIEW

Rafting in Utah on the Colorado River through Cataract Canyon has it all: breathtaking scenery, easy floating and wild, Class III whitewater. Add to that rollicking Utah hiking expeditions by foot in Utah's dramatic canyon country among multi-million-year-old rock formations and you have a whitewater rafting adventure suitable for the whole gang. Explore Canyonlands National Park created in the wake of the John Wesley Powell expedition and get a taste of the wild wet waters of the Colorado River from the deck of your O.A.R.S. raft, dory or stand up paddleboard.
