

Week of Rivers

Join us for this unique chance to turn your trip to the AO Conference into an educational vacation. This is an opportunity to better know some of your peers in the outdoor industry, see different outfitter operations, and have FUN while you paddle gorgeous rivers in Northern Florida, eventually making your way to Daytona Beach.

What's included? For just **\$200**, all gear (including camping gear by request), boat rentals, camping, and breakfast and lunch each day will be provided for you.

Only 30 Spaces Available!

“Some of my favorite memories came from these trips, and some great bonding occurred, as well as getting to see other operations first hand, and to show off operations first hand, which we all know, is a highly valued part of being a part of AO”

– Nathan Depenbrock, Canoe Kentucky

Week of Rivers Schedule

Tuesday, November 27 - Arrive at Adventures Unlimited on the Coldwater Creek. Tour the facility and camp there
