

COVID 19 OPERATIONS PLAN

For Outfitted Services on

Jackson Ranger District, Bridger Teton National Forest

COMPANY NAME: [Click or tap here to enter text.](#)

Permittees are required to meet all federal, state, county and local health and safety orders & regulations regarding COVID-19 behaviors and restrictions while conducting National Forest operations. The most up to date information for Teton and Lincoln Counties can be found here: [JHccovid.com](https://www.jhccovid.com). The following items should be considered and addressed if they pertain to your operation. This is not a mandatory form. Its intention is to aid in plan development.

BOOKING: Are there any prescreening efforts or questions asked to the potential customers about health conditions, where they are coming from, persons in group recently infected/recovered, etc.?

[Click or tap here to enter text.](#)

CLEAN SURFACES & PPE FOR STAFF AND CLIENTS: What types of Personal Protective Equipment (PPE) will be used? What precautions, trainings and policies for operations, employees and clients will be implemented? Will clients have additional requirements (masks, gloves)? Any related to cleaning equipment and vehicles?

[Click or tap here to enter text.](#)

MEET UP: Where will you meet your clients? Are you riding in the same vehicle together? What is the spacing. Does it comply? Many having the clients meet you at the destination makes better sense.

[Click or tap here to enter text.](#)

TRANSPORT: How is everyone getting there including guides and drivers. How are they staying safe? What precautions are being followed. What is the cleaning regime for transport or nonfamilial group member transport?

[Click or tap here to enter text.](#)

FACILITY USE: Once you are at the forest site you are using, what next? Parking. How will you deal if toilets are not open and available? What will you do to prevent getting clients bunched up with other clients?

[Click or tap here to enter text.](#)

RESOURCE USE: Is there any fundamental change in how you will be using the forest this summer? (smaller groups, different/more equipment)

[Click or tap here to enter text.](#)

OUTFITTED ACTIVITY ADAPTATION: Are there any changes in your trip protocols? How will the 6' spacing happen in the vans, boats, buses and horses?

[Click or tap here to enter text.](#)

FOOD & DRINK: Are you serving food or drink? What special steps are you undertaking to ensure food safety for customers and employees?

[Click or tap here to enter text.](#)

OTHER PERTINENT INFORMATION NOT ADDRESSED ELSEWHERE.
